

概述 Introduction

光波通信

- Lightwave的中文版：2002年9月创刊，Lightwave授权《光波通信》独家享有其文章的中文版权。
- 为中国读者量身定做：从Lightwave杂志选译中国读者感兴趣的文章并接受来自中国和国外的投稿。
- 唯一专注于光通信行业的中文杂志。
- 提供光通信领域的新闻、技术、应用、市场、产品、标准等多方面的深度信息。
- 免费向专业人士赠阅，每期发行量为10,000份。2011年出版6期。并发行电子书扩大影响力。
- 从2005年开始，每年9月主办“中国FTTH研讨会”。
- 每年出版“中国光通信地图”海报。

Lightwave是世界最著名的光通信行业杂志，为行业提供高质量的内容，包括业界专家、分析师和编辑撰写的深入的技术、应用、市场、产品、案例等分析文章，紧跟技术前进的步伐和市场发展的脉搏。

Lightwave是广告商的首选杂志，光通信行业的主要公司都选择Lightwave刊登广告。欲更详细地了解Lightwave，请访问www.lightwaveonline.com。

Lightwave China

- Chinese edition of Lightwave: Launched in September 2002, Lightwave China is authorized to exclusively translate editorial content from Lightwave for our readers in China.
- Tailored for Chinese readers: Articles are carefully selected from Lightwave; we also accept editorial submissions from the industry.
- The unique magazine in China focusing 100% on the optical communication industry.
- Providing in depth information on news, technology, applications, markets, products, and standards in the optical communications arena.
- Controlled-free distribution by mail to 10,000 professionals. Six issues in 2011. And E-magazine has been launched to enlarge our circulation coverage.
- FTTH China Conference held in September every year since 2005.
- Publisher of the annual China Optical Communication Map.

Lightwave is the No.1 trade magazine covering the world optical communications industry, providing unsurpassed quality editorial on a bimonthly basis to professional readers worldwide. Contents include in-house generated articles as well as contributed articles from industry experts, covering technology, applications, markets, products, and case studies.

Lightwave is the No. 1 choice in magazines for advertisers; all major companies in the optical communications industry advertise through Lightwave to reach their customers in the optical communications industry. For more information, please visit www.lightwaveonline.com.
